## *OVATA Fall Conference Agenda Chemeketa Community College October 10-11, 2013*

### **Workshop Descriptions**

#### **Ag Communications CDE in the Classroom**

*Bibiana Giftt – Crane High School*

Learn more about the newly updated Ag Communications CDE and get some ways to incorporate it into your curriculum.

#### **STNEMOME (AKA: using E-moments in a new way)**

*Dr Misty Lambert & Kris Elliot – OSU*

Think you know e-moments? Try on some ways to use them in a whole new way in your classes.

#### **Agriscience Inquiry**

*Kate Crawford – Oakland High School, Meghan Biggs – Henley High School*

Participate in this interactive lesson on preservatives and how they work on microbes. Easy to use in your animal science, food science, or agricultural biology courses!

#### **Program of Study One-on-One**

*Dr Reynold Gardner – ODE*

Get one-on-one assistance with your Program of Study if you are renewing or recreating one for your program.

#### **Landscape Design and the Landscape/Nursery CDE**

*Mitch Coleman – Dayton High School*

Learn about this under-utilized CDE and ways to incorporate landscape design into your program. Great winter activity!

#### **Grow Your Own: Partnerships in Your Program**

*Nichole Eskelson – Yamhill Carlton High School*

Get ideas as you hear about how YC has elevated their program to national attention with partners for their viticulture instruction and their manufacturing program.

#### **Have you heard about...?: New Ideas from the Cohort**

*OSU Ag Ed Student Teachers*

Get a whole host of ideas to take away from this workshop as student teachers share with you resources, tools, and tricks they've discovered as they begin teaching!
