

The Future of Oregon's AGRICULTURAL EDUCATION & FFA

Community Engagement

FFA Alumni play an important part in keeping agricultural education and FFA programs in our local schools. Agriculture teachers rely on FFA Alumni to help them get more support from the community for their agriculture programs and to give them more time and freedom to do what they do best - teach kids.

Industry participation occurs at the State & Local level.

Oregon Team AgEd serves as the statewide advisory body for school-based agricultural education, representing all aspects of the agricultural industry.
